UNIMAS INTERNATIONAL Summer PROGRAMME

Experiencing Sarawak - Borneo

www.summerprogramme.unimas.my

Theme

Enjoy Sarawak's Cultural Heritage and Diversity

Who and what we are?

UNIMAS is an exciting young university located at the heart of Borneo. It was established 25 years ago and currently offers more than 40 undergraduate programmes and 30 graduate programmes for both local and international students. The campus is built on a 42 hectare land - the view is spectacular and its campus life is fun and inspiring.

UNIMAS welcomes local and international community to reap the benefits of its rich academic tradition, internationally qualified faculty, and vast pool of physical and natural resources available for teaching and learning.

The UNIMAS International Summer Programme 2017 aims to create a platform for you to experience learning at the heart of the oldest and richest tropical rainforest in the world. Sarawak has a unique array of flora and fauna and indigeous communities who are still living in time-honoured traditions.

Programme objectives

- ✓ To learn in a unique natural, physical, and social environment in Sarawak
- ✓ To learn about how people live in harmony with nature and how they contribute to biodiversity conservation
- ✓ To create opportunities to understand, tolerate, respect, and appreciate cultural diversity
- ✓ To create and build network with university students from Malaysia and many other countries across the globe
